**OWNER'S STATEMENT**

This good looking WESTERN IDEAL filly has been a model of consistency this season, finishing in the money in 9 of her 14 starts to date, while banking nearly \$45,000. She paced to her record at Woodbine and has displayed the ability to handle all size tracks. This is a filly that should continue to make nothing but money. She will continue to race until the sale and should blossom into a nice aged mare. A sister to the fast TAKESHIGEMICHI and from a top maternal family, this is a fashionable filly to race now and bred later. Check for updates. **OWNER'S STATEMENT**

We purchased this filly at Lexington for \$35,000. She has always displayed ability but has yet to put it all together. A good looker that has the gait and desire to develop into a solid 3-year-old. From one of the most respected maternal lines in the sport, she is out of a half-sister to "Hambletonian Oaks" winner DANAE. With her looks and pedigree, if she doesn't make it on the track, she should make an outstanding broodmare. It's time for me to move on. Check for updates. **OWNER'S STATEMENT**

It's rare for a horse of this stature to come up for sale. What can you say about a horse that has earned over \$3,800,000 and comes to race almost every time? He has won just about every major race possible over the past few years. He is fresh and ready to go and will be racing right up until sale time. As with other horses I have in this sale, the conflicts in the some of the top tier levels forces me to let some Open pacers go and he is one of them. He deserves a chance to race each week and go over that \$4,000,000 lifetime earnings level. He'll be racing right up until sale time. Take a look at one of the greatest pacers to ever hit the track. Check for updates. For further information please contact Geoffrey Stein or David Reid at 914-773-7777 or visit [www.preferredequine.com](http://www.preferredequine.com).

**OWNER'S STATEMENT**

This is an outstanding mare has earned nearly \$650,000 and taken a mark of 1:50.1. Currently racing sensationally at Meadowlands, at time of consignment, she has been in the money in 13 of 19 starts to date and earned over \$85,000 this season. She won in 1:50.4 this meet and most recently finished a fast closing 2nd in 1:50.4--last quarter in 26.2 on 6/12! Sells as a race mare with the earnings, record and pedigree to make an outstanding broodmare when her career is over. Wears no boots and still has lots of racing left as evidenced by her 2009 record. A real gem on and off the track and can pace a 1/2, 5/8th or mile track. She will continue to race until the sale-- Don't miss her! Check for updates. This rugged 4-year-old will do on any size track. I own and train this horse only as a hobby, and I have no time to take care of him properly because of my full-time job. He should really improve when he gets into a full-time trainer's hands. He was turned out for a month and will be qualified and racing at time of sale. Check for updates. **OWNER'S STATEMENT**

Here is a mare that proves she knows how to win. In April and May of this year she won 6 of 7 starts and finished 2nd in the other start. She has already earned over \$82,000 this season and will continue to race right up until the sale. She has mainly raced and beat the \$20,000 to \$30,000 claimers and has done it on the front end or closing to win. She is also being sold due to class conflicts at her level. Take a look at this proven winner. Check for updates. **OWNER'S STATEMENT**

Here is a chance to get a top notch Open pacer that comes to race every week. This year alone he has won the Preferred Pace in 1:49.2 and also won the Invitational pace at The Meadowlands in 1:49.4. He paces every start in 1:51 or better and can race on the front end or close with a wicked brush. His earnings last year were over \$200,000 and is on the same pace this year. He can race on any size track which has been proven with his wins at Chester last year against the Open pacers. The only reason this horse is being sold is due to a conflict of horses eligible for the same classes. He'll be racing right up until sale time. If you're looking for an Open pacer, take a look at this clean-legged, proven winner! Check for updates.
